

Roxbury Prep Uniform Policy

The school enforces a Dress Code to create a sense of community and to ensure that students focus on learning instead of clothing. Clothing and accessories that could create disruption or disorder or that do not conform to standards of health, safety, and cleanliness are not allowed. Violations of the dress code may result in disciplinary consequences pursuant to the Code of Conduct.

Clothing worn by students at Roxbury Preparatory Charter School should emphasize the fact that the school is both a community and a place of work. Students should dress in a way that expresses their membership in the community and that suits the standards of a workplace. Their attire should be neat and tidy and should always conform to the Roxbury Prep uniform.
